Nuts' Royal Wedding gift!

Will Her Maj appreciate our present?

"One does think it's a terribly good likeness"

How do you celebrate Prince Wills getting hitched to the lovely Kate Middleton? We thought long and hard, mostly about Kate in her skimpies – then realised that after the wedding, nobody's ever going to see Kate in her undies ever again! So, we had our artist

paint what our future Queen might look like in some naughty knickers, bung it in the biggest frame he could find, and deliver it to Buckingham Palace!

And for you loyal subjects of *Nuts*, there's a giant poster of the rudely Royal picture in the middle of this very magazine! Knighthoods are in the post...

MONKEY MAYHEM!

The Apes Return!

Rise Of The Planet Of The Apes is here!

In hindsight, this is a face-slapping no-brainer – doing a *Planet Of The Apes* prequel where we learn the back story of how those apes got so darn clever. So here's summer blockbuster *Rise Of The Planet Of The Apes*.

Starring James Franco as an earnest scientist experimenting on our simian chums in an attempt to cure Alzheimer's, he inadvertently ups the intelligence of plucky chimp Caesar (Andy Serkis), leading to all sorts of man vs monkey shenanigans. It looks ace, and hits multiplexes on 12 August.

AMAZING EFFECTS!

This is a fully CGI'ed Andy Serkis (who played Gollum in *The Lord Of The Rings*) as lead chimp Caesar. His chimp is just incredibly realistic.

CGI CHIMP!

A large gorilla is perched on the roof of a yellow and blue taxi cab in a city street. Other cars and a person are visible in the background.

TOOLED UP!

Now gaining in number, the apes get tooled up with rudimentary weapons in their battle against their former human masters.

A large gorilla is standing on the Golden Gate Bridge, looking out over the city. The bridge's structure and other vehicles are visible in the background.

APE ESCAPE!

The monkey revolution is led by Caesar who whips up his hairy chums into a frenzy on San Francisco's famous Golden Gate Bridge.

A large gorilla is standing on the rotor hub of a helicopter, with its arms raised in a triumphant gesture. The helicopter is in flight against a blue sky with clouds. The letters 'CHP' are visible on the side of the helicopter.

GORILLAS GO MENTAL!

The hairy buggers soon go on the rampage, with one grumpy gorilla taking out an entire helicopter with one huge leap and a ham-like fist.

APE VS CHOPPER!

A large gorilla is in a laboratory setting, holding a small object in its hand. A scientist in a white lab coat is looking at the gorilla. Another scientist in a blue lab coat is standing behind the gorilla.

TESTING, TESTING

When scientist Will Rodman (James Franco) develops a serum to combat Alzheimer's, clever chimp Caesar is first in line for the treatment.

A group of apes is standing in a snowy, mountainous landscape. They are holding long poles or spears.

BEHIND YOU!

The first place to fall is the science compound where the monkey testing has been going on. We don't rate this poor chap's chances!

Nuts EXCLUSIVE!

Gareth Bale: 'I can still improve!'

The PFA Player of the Year talks exclusively to Nuts!

Hi Gareth! Well done on the PFA award. Were you surprised to beat all those great names? Yeah, I was, to be honest. Just to be among such players was an honour, but to finish first is pretty incredible. And the people who've won before... amazing! The most special thing is that it's voted for by your fellow professionals. It means a hell of a lot.

You've come a long way from a guy who couldn't get a game at Spurs a couple of seasons ago! I know. People always talk about that and I'd be lying if I said it wasn't a hard time. I just had to have faith that things would turn around. I'm level-headed so I didn't get too down and it'll be the same now that I'm doing well.

Do you think we're now seeing the best of Gareth Bale? Obviously I've done well this season but I think

"I want to be one of the best in the world!"

I can improve. Great players play well season after season and I'm only just starting out, really. There are parts of my game I need to work on, but that's the challenge.

Like what? Decision making, consistency, crossing, scoring – everything. You can always get better.

We're not sure you can improve on your pace. You're quicker than a butcher's dog!

I've always been quick. At school I was a decent sprinter and that's continued into football. It's no good being quick without an end product, so I work on that.

Harry Redknapp says that this award may be the springboard to becoming the best player in the world!

He's great with players. He always makes you feel good about yourself so you perform to the best level. I'm grateful he rates me highly and says nice things. I'm ambitious but I'm nowhere near there yet. Players like Ronaldo and Messi are on a different planet.

There's been talk of you moving abroad to a club like Real Madrid in the summer...

Rumours are part and parcel of football. Yeah, I'm

ambitious – I want to be the best footballer I can – but I'm not daft. Spurs have been good to me and I love my football here. You can never predict but we're building something great at Spurs and I want to be part of it.

With all the media attention and crowd adulation, how do you keep your feet on the ground? I just try to be normal, the same as I was as a kid growing up. Of course things have changed but I don't go out a lot, I don't get involved in the celebrity thing, I don't spend a lot of money. I stay at home and rest as much as possible. I'm lucky – I've got great family and friends who I see a lot.

Nothing seems to get you too excited, Gareth! I'm just laid back I suppose, but I really love what I do. I love football and to get paid for playing is fantastic. I'm quiet, but I'm confident in my ability and want to get the best out of my career. Getting awards like this is fantastic and shows I'm on the right track. I'll keep on working hard and improving. I want to be one of the best in the world but I've still got a long way to go!

SUPER FAST!

Good news for all Lamborghini Gallardo fans! The supercar chaps have announced yet another special edition of their most successful car. The Gallardo LP 550-2 Tricolore recognises the 150th anniversary of the unification of Italy, and you'll know it by

the Tricolor sash that runs all across the bodywork and the driver's seat.

The power's the same as the established Valentino Balboni model: two-wheel-drive, 0-62mph in 3.9 seconds and a top whack of 199 mph! The Balboni cost £137,900, so we can expect something similar.

It'll sit alongside the LP 560-4 Spyder, LP 570-4 Superleggera, LP 570-4 Spyder Performante, LP 550-2 Valentino Balboni, LP570-4 Blancpain Edition, LP 560-4 Bicolore and the LP 560-4 Polizia in the now rather crowded Lamborghini Gallardo family.

Nuts girl starts boob tweet trend!

God bless the national treasure that is Sophie Howard! The Stockport saucepot, with nothing much on last week, decided to cameraphone her ample boobs and post the shots on Twitter, adding the hashtag #cheboff – “cheb off”. Cue loads of naughty ladies doing the same, and suddenly it was a Twitter trend! She’ll be doing it again on Friday, so look out. And ladies! Why not join in and make #cheboff a regular thing? Here’s some of our favourite babes’ entries to show you how it’s done!

But hop on a plane and, suddenly, the rules seem to change – like lovely Roxanne McKee and her sterling work here in top American drama *Game Of Thrones*. Does the high altitude somehow loosen the elastic? We don't know, we're not physicists!

Plato proves even the pros can suffer the occasional prang!

As one of the main car testers on Channel Five motoring show *Fifth Gear*, Jason Plato is usually expected to at least keep his car on the track.

So we were surprised to see him suffer a spectacular crash in the British Touring Car Championship second round at Donington Park recently!

After being rear-ended, his Chevrolet Cruze slid across the gravel, hit a bank and managed three full rolls before coming to rest, on only three wheels, on the grass verge.

The only thing his rival TV super-driver, *Top Gear*'s Stig, has left the track in is the Koenigsegg CCX, and he went back and made them put a spoiler on it! Honestly, we'd expect this kind of thing from Vicky Butler-Henderson, but...

"Royal Wedding? Let's go down the pub and take the p*ss!"

Wedded bliss!

The Royal Wedding is upon us! And it seems the British police are apparently more worried about stalkers than terrorists. It turns out that 40 per cent of all stalkers in the UK are focusing on the Royal Family and they get sent over 10,000 letters every year from people with mental problems. But I think it's nice that Edward and Fergie still write to the Queen! Seriously, what's wrong with modern stalkers? Why go after the family with the biggest security protection in the whole world? Why not go after me and my family instead? You'd have a better chance of getting some sex and my mum would reply to all your letters. Anyway, let's not forget what this day is all about – two lovely young people, in love, committing to each other for the rest of their lives. Ha! Only joking! It's about two extra days off work, so let's do what the British do best and go down the pub, get drunk and take the p*ss out of them. Cheers!

She looks like a burqa!

Did you see Nigella Lawson wearing that weird swimsuit? She was snapped in Sydney in this black number that covered her head, a bit like a burqa. She looked ridiculous, but she's still the only 51-year-old woman that we'd all give our right arm to f**k!

Red bullsh*t

It's been revealed that drinking alcohol mixed with energy drinks is actually even worse than drinking alcohol just on its own. When I get pissed, I find that there's a difference between getting into a fight with a self-righteous arsehole and getting into a fight with a self-righteous arsehole who has a load of extra energy in the tank. The moral of this? We all need to start mixing heroin with our vodka. Problem solved.

What a croc

I've just got back from South Africa, where a guy committed suicide after a row with his missus by – get this – wading into a lake full of crocodiles. It's one thing to commit suicide because you don't want to live any more, but it's another thing entirely to think, "I don't want to live – plus I'm going to die in the most horrible way possible!" I was going to joke about this but I feel bad for the poor guy. Imagine his final moments, wading into the water. "Hello, Mr Crocodile..."

The drugs don't work

They found out last week that paracetamol and antibiotics aren't effective in space – apparently, they don't work at all. I'll tell you another drug that isn't effective in space – cocaine. Have you ever tried racking up a line of that in zero gravity?

Bloke's lug mutilated in rugby calamity!

He'd been listening to James Blunt again

There's a reason why the Americans play their version of rugby in helmets – so when heads start rattling, their ears don't end up looking like they've been gnawed off by some kind of crazed rat, like Jack Knowles' did.

Jack, 19, from Warrington, tells *Nuts*, "I was playing rugby but, when I went to tackle my opponent, I got my ear caught in his shorts. They ripped through my ear and there was a hole from the outside of it into the earhole."

Yet despite the belly-churning tear, hospital surgeons managed to get everything back to normal.

"It needed 40 stitches, but it's almost recovered now – I'm back playing cricket and I'll be back in the scrum when the next rugby season starts!"

JOKE OF THE WEEK!

Rotten eggs

A woman on her deathbed calls her husband and asks him to open a box from under the bed. Inside he finds three eggs and £7,000 in cash. "What are the eggs for?" asks the husband. She replies, "Every time we had poor sex I would put an egg in the box." The husband says, "Not bad. Three eggs in 35 years. And what about the £7,000?" he asks. "Well," she replies, "every time I got a dozen I sold them for a quid!"

Wes, Southend

Gavin regretted applying make-up while jogging

Lightning smile

Three bodies turn up at a mortuary, all with smiles on their faces. A police officer asks the coroner, "Why are they all smiling?" He explains, "The first guy died having sex, the second guy won the lottery and drank himself to death, and the third guy was struck by lightning."

The policeman asks, "Why the hell was the last guy smiling?" The coroner explains, "He thought he was having his photo taken!"

Black gold

After a beer festival in London, all the brewery bosses go out drinking.

The Budweiser boss says, "Give me 'The King Of Beers' - a Budweiser!"

The guy from Coors says, "I'd like the only beer made with Rocky Mountain spring water - so give me a Coors!"

The Guinness guy goes up to the barman and says "Give me a Coke!"

The other bosses ask, "Why aren't you drinking a Guinness?"

"Well," he replies, "I figured that if you guys aren't going to drink a real beer, then neither am I!"

Terry, Maidenhead

Hot and cold sex

After his examination, the doctor says to the elderly man, "You seem to be in perfect health. Do you have any specific medical concerns which you'd like to ask about?"

"Actually, I do," says the man. "After I have sex with my wife I'm usually cold and chilly and then, after I have sex with her the second time, I'm often very hot and sweaty."

After examining his wife, the doctor says, "Everything appears to be fine. Do you have any specific medical concerns that you'd like to discuss with me?"

"No, I'm fine," she says.

The doctor then says to her, "Your husband had an unusual concern. He claimed that he's often very cold and chilly after having sex with you the first time, then all hot and sweaty the second time. Any idea why?"

"Oh," she replies.

"That'll be because the first time's usually in January and the second time's in August!"

"Must be strange being Prince William or Prince Harry on a stag night, shoving pictures of your gran into a lap-dancer's bra!"

Noel Fielding:

DAVID MITCHELL:

"Action for Happiness are encouraging people to offer free hugs. Free hugs? Aren't hugs always free? I myself have been literally hugged over ten times and never paid a penny. I imagine even if you visited a prostitute, a hug wouldn't show up on the bill!"

Jack Whitehall:

"People say about Katie Price, 'She's sexy, but she's not just a set of tits because she's also a very successful business woman.' So is Deborah Meaden from Dragons' Den, but I wouldn't have sex with her if she were the last man on earth!"

Paul Chowdhry:

"I tried to join the BNP recently, obviously over the phone. I got their number and called them up, it started ringing and I got through to a call centre - in India!"

THE TRUTH ABOUT SEX WITH... ROSIE JONES

Nuts girls solve your bedroom bother!

Email questions to thetruth_sex@ipcmedia.com

ONLY IN Nuts!

Her pants are enormous!

My girlfriend's replaced her sexy underwear with really big pants. It's making her seem very unattractive. Help!

Colin, Tenby

Oh no! That means she's got into the comfortable stage! You have to send her a signal. Buy her some sexy underwear as a gift. Or you could hide all her big pants - that way she might have to stop wearing underwear at all - which is sexy!

Why's she laughing?

My girlfriend has an annoying habit of laughing during sex. Am I doing something wrong?

Nige, South London

Hopefully, she's not laughing at you - though maybe she's laughing at something you said earlier. Sometimes I get nervous when I'm with someone I really like - maybe it's that. One thing's for sure - if you were bad in bed, she wouldn't be there with you!

She's flirting!

My girlfriend's mate's been flirting with me when we're alone. Is this something I need to warn my girlfriend about?

Baz, Plymouth

Telling your girlfriend would just cause problems, but you should talk to the friend. You should also try to stop being alone with her - it's just putting temptation in front of you both!

I'm in trouble!

The other night, I ended up cheating on my girlfriend after we had an argument on the phone. It only went as far as a kiss, but we exchanged numbers and now she won't stop texting me! What do I do?

Steve, Newquay

Cheating's really bad. You're a naughty boy, Steve! Best to call the girl and tell her that you're taken. Or, if your girlfriend's more the saucy - and forgiving - type, you could just come clean to her and cheekily suggest a threesome. I suspect she may tell you where to get off, though!

ROYAL WEDDING SPECIAL

LUCY PINDER

QUEEN OF BOOBS

Gentlemen, bow down before our very own national treasure...

 
**LUCY PINDER
QUEEN OF BOOBS**

There are lots of reasons to be proud of this great nation of ours. We make the best pies, have the best football teams (Barcelona is near the Shetland Islands, right?) and the best Royals. Who else does public gaffes like Prince Philip or boozily stumbles out of a nightclub for a bout of photographer fisticuffs like Prince Harry? So, to celebrate the wedding of Prince William and Kate Middleton (who's very fit, if you haven't noticed) we decided to get our very own Nuts royalty to remind you chaps why Britain is truly great. Take it away, Lucy!

Hi Lucy! Who's the sexiest royal? Harry, I think. He's a bit of a party boy.

And who's the least sexy? Oh, that's a bit mean isn't it? Who's the one that's going bald... Edward! No, he's not that hot. He doesn't flick my switch, bless him.

What's your favourite Kings Of Leon track? It's really unoriginal but I think *Use Somebody* is an ➔

“I’D TAKE A BATH WITH ALL THE NUTS GIRLS!”

immense track. I know it’s been overplayed but it’s such a great song.

If your king lost his speech, what tricks would you use to help him get it back? I couldn’t possibly say what I’d do – I’ll leave that to the readers’ imagination!

If you were the Queen, what laws would you demand parliament pass?

Oh my goodness – there are so many! Do you know what I’d like? It might not help the economy, but I’d change it so everyone had a three-day weekend. Knock Monday or Friday off the working week. But maybe just in summer.

Cleopatra was known for bathing in ass’ milk – if you could take a bath with anyone, who would it be? I’d pick any of the sexy *Nuts* girls. In fact, all of us, in one massive bath! **Buckingham Palace is starting to look a bit dowdy. If you could give it a makeover, what would you do with it?**

Oooh! I’d build my own flash nightclub on the side of it. Just so I had my very own nightclub!

What sort? A high-end, polished club. When I was in Las Vegas with the lovely Rosie Jones, Stacey Massey and Kelly Hall, Rosie and I went to a club called Marquee. It was a brand-new one in a hotel and it was very plush. So, yeah – I’d base my palace makeover on the Marquee in Vegas!

How would you make a palace guard lose his concentration? I’d say by giving him a flash of my boobs, but they’ve probably had people do that to them, so I don’t think that’d work. You’re allowed to touch them, are you? Can you tickle them? Yeah, I’d give them a tickle – but I’d get arrested!

If you could have a sexy beach photo shoot with one member of the ➔

royal family, who would it be and what location? Kate Middleton, definitely. In the Maldives. If you were a damsel in distress trapped in a castle, which Prince Charming would you want to rescue you? The new Superman! Henry Cavill – I want him! Do you think the Queen should reward you for your services to boobs? I think *Nuts* should get an honorary knighthood for services to young fellas! If you were the Queen and allowed to give the nation one more public holiday, and we all had to do one thing on that day, what would it be? I think... have a naked day! But that'd cause carnage, wouldn't it? So... I'd have one day where everyone had to stay in bed all day with their partner. Like John Lennon and Yoko Ono? Yeah, but not in some hippy, crazy way. In a ➡

“MY PUBLIC HOLIDAY?
EVERYONE HAVING SEX!”

sexy, raunchy way.
Just stay in bed having sex all day? Yeah, that'd be great! It makes you happy, it's one of the best things you can ever do and it's free! So my public holiday would be to stay in bed having sex all day!
Which of these groups or artists is your favourite? Queen, Prince or Lady Sovereign? Absolutely, 100 per cent Prince!
What's your favourite Prince track? I've got loads, I love Prince! I love *Little Red Corvette*, I like *Raspberry Beret* and *Controversy*. I like so many, but mainly his earlier stuff.
Thanks, Lucy. Finally, if you could take Prince William off Kate, would you? No! She seems far too nice. They're a lovely couple and I don't think his granny would approve! Wouldn't it be hilarious if Harry took a gorgeous *Nuts* girl home? ■

BRITAIN'S MADDEST ROYALS

Nuts takes a look at the rich, colourful and, frankly, bonkers royal folk that have helped rule these fair isles!

KING HENRY VIII
RULED 1509-1547

A right swine with the ladies, Henry had two of his six wives beheaded, and divorced two others. A row with the pope also sowed the seeds for England to switch religion from Catholic to Protestant!

KING GEORGE IV
RULED 1820-1830

Party animal George loved his booze and mistresses, and ran up the equivalent of £50m debt at taxpayers' expense. He even turned away his wife, Caroline of Brunswick, from his own coronation. The cad!

KING EDWARD VIII
RULED JAN-DEC 1936

Eddy 8 chose to abdicate in order to marry a divorced American socialite, and was said to be pally with the Nazis. Some historians suggest he hoped Hitler would make him King again if they won the war!

SARAH FERGUSON
EX-DUCHESS OF YORK

Since divorcing Prince Andrew, Fergie's been caught offering fake sheiks access to the royals for megabucks, and when she was married, she was papped as an American financier sucked her toes!

BRITAIN'S MADDEST ROYALS

**QUEEN MARY I
RULED 1553-1558**

This devout Catholic burned almost 300 Protestants at the stake during her five-year reign, earning her the monicker "Bloody Mary" – probably the last two words her victims screamed!

**KING CHARLES I
RULED 1625-1649**

This poodle-haired maniac caused the English Civil War by removing all parliament's powers. He was finally executed for high treason after almost 200,000 people died in nine years of conflict.

**KING GEORGE III
RULED 1760-1820**

In the latter part of his 60-year reign, George was as mad as a trout. He attempted to shake hands with a tree, believing it to be the King Of Prussia, and once spoke gibberish for 58 hours, non-stop!

**PRINCE PHILIP
DUKE OF EDINBURGH**

There's not many people left on this planet the Queen's hubby hasn't offended – so we've collected the most outrageous for a feature all of its own! Turn to page 48 and pour yourself a stiff drink!

**PRINCE HARRY
3RD HEIR TO THE THRONE**

Harry looks to be carrying on his family traditions – he's admitted to smoking wacky baccy, worn a swastika to a fancy-dress bash, and scrapped with paparazzi after falling out of a nightclub! ■

COMPILED BY PETE CASHMERE PHOTOS: REX, GETTY IMAGES

Hi Matt! Could the Doctor put together a set of Ikea drawers with his sonic screwdriver if the story demanded it? Yes. That's perfect sonic territory. The sad truth is that if you gave me a hammer and a screwdriver and a set of instructions, I still wouldn't know where to start putting up a shelf. Not a clue. You drill stuff in the wall. That's about all I know.

Does the Tardis smell of wee like all public phone boxes used to back in the day? No. There's no wee. There's a whole sewage system in there. It smells of roses. And chocolate.

The Tardis is much bigger on the inside than it is outside.

Why don't you rent out some rooms? That'd be funny, wouldn't it? [Does silly stoner voice]. "Oh, hi - I'm Clive. I live upstairs, man." Ha!

Time Lords famously have two hearts... They do!

Does that mean you can eat twice as many burgers and fry-ups or do you have to doubly worry about your daily intake of cholesterol?

The Doctor can eat what he wants, I believe. It's strange - we never really see him eat and we never see him sleep. He definitely likes tea and he definitely likes biscuits. I think he lives on tea and biscuits!

As the Doctor, you can travel through space and time, and potentially get off with any girl from history. Doesn't having a female assistant cramp your style a bit?

Time for a better wing man, Doc! Nah, because you want to travel around with a cool, hot chick! And he's more interested in saving the world.

In the last series, it was Amy [played by foxy Karen Gillan] who wanted to snog the Doctor, not the other way around.

I think this particular doctor's a bit like, "Woah! Girls!" But I guess it's sort of fun to kiss the hot assistant once!

Aren't you worried that your bow tie and tweed jacket make you look a bit silly when you're busy saving the world? No! The Doctor never looks like a ponce! He looks cool! I wanted my look

Doctor Who talks snogging, bow ties and lady Doctors!

to have an element of the professor, and the bow tie and the tweed lend itself to that. Bow ties are cool!

Can it spin around? No, not yet. It doesn't squirt water either.

Doctor Who is filmed in Cardiff. How come you haven't picked up a Welsh accent? I'm not very good at it. [Attempts Welsh accent.] Cracking, that is. [Back in his own voice.] You see,

terrible! You couldn't really film it anywhere else, to be honest. The great thing about Wales is that in the space of 20 minutes you can be at completely different - for want of a better word - "alien" locations. You can be in green pastures, then 20 minutes up the road you've got a quarry, and 20 minutes down the road you've got the city. We do seem to always end up in a lot of quarries and caves and wet, soggy fields, though.

The Doctor doesn't use a gun. Is he a bad shot? No, he's just too cool for guns. He knows they're for fools. He's anti-violence. He's a pacifist. His weapon is his brain.

Rose Tyler (Billie Piper) or Amy Pond (Karen Gillan) - which of the Doctor's hot assistants would you kiss and which one would you marry? Oh, my lord! Do I really have to pick? Um... OK, I'd kiss Rose and marry Amy! Marry Pond!

The Doctor never dies, he just "regenerates" into different actors when they've had enough of playing the part.

Harry Hill used to be a doctor - why don't you regenerate into him when you're bored? Is he an actual doctor? He wasn't a Time Lord, though, was he?

Ever reckon they'd go one stage further and have a lady Doctor? Well, I hope not any time soon. But you never know. Never say never, right?

They've had a lady Prime Minister! Listen, I don't want to talk myself out of a job!

Who would make a good lady Doctor? I'd better not pick someone too good - I don't want to give people ideas!

You need someone who's quick-witted and funny. Angelina Jolie could do the action, but is she funny? Does it matter, though? If it's Angelina Jolie, you can just tune in and watch her every week! Let's go for Angelina. Oh no - I'm going to get a letter in the post, aren't I? "Angelina has accepted!" It's your fault! ■

Doctor Who is on BBC1 on Saturdays at 6pm

and marry Karen Gillan!"

INTERVIEW: RICHARD JENKINS PHOTOS: ZOE MCCONNELL HAIR & MAKE-UP: JOHANNA DALEMO STYLING: SPECIAL K

Hi Arabella! How does it feel to be *Nuts*' Next Top Model? I'm excited because I don't feel like a typical *Nuts* kind of girl, with my tattoos and all that! I'm just really excited to be part of it. I love doing shoots like this. **Are you as wild as you look?** I'm a fire-breather - I've done a fire-breathing striptease show. I do aerial hoop, which is like trapeze in a hoop, and

I'm touring with a circus at the moment. And that's me! Ha-ha! **Have you ever had any mishaps with the fire?** I've set my clothes on fire before! I'm better now, though, so I'm more controlled. And I don't wear that many clothes when I perform anyway, so there's less to set fire to! **What do you think makes you different to the other *Nuts* girls?** Well, I'm covered in pirate tattoos! I have my sleeve, a piece

on my lower back, some on my chest and my hands, but nothing on my legs. I think bare legs look very sexy, so I don't plan on getting them tattooed. That said, tattoos are addictive, so I can't rule it out completely! **How many piercings do you have?** I actually only have two piercings. I was more obsessed with piercings when I was younger but I've taken most of them out now. The weirdest

place I've had pierced? Ha-ha! I bet you can guess, can't you? I've taken it out now, though!

TEXT: MICHAEL O'NEIL; BY EWEN WICKI

"Merson likes me more than you, Arsene"

Arsenal vs Man United Special!

Paul Merson on this Sunday's crucial top-of-the-table clash!

All season they've been the main contenders in the race for the title, and now Sir Alex Ferguson takes his Manchester United team down to the Emirates to face his old enemy Arsene Wenger. We can't wait, and neither can our Magic Man Merse, as he gives us the rundown on what to look out for in Sunday's big match-up!

Arsenal vs Man Utd

Sun 1 May, 2.05pm, Sky Sports 1/HD

The gaffers!

ARSENE WENGER

"Arsene's had a lot of flak this season. He never has a plan B, and he's made some strange decisions when Arsenal have had to go for a win late on. He needs to bring in a keeper, a centre-back and a striker over the summer. The days when he unearthed gems for next-to-nothing are gone."

SIR ALEX FERGUSON

"Man United have been superb this year, and it's down to the spirit Sir Alex puts in his teams. He's been brilliant in the transfer market, unearthing Smalling and Hernandez, and it's because of him that Man United have this attitude. They don't know when they're beaten."

The hitmen!

ROBIN VAN PERSIE

"When he's not injured, Van Persie is as good as anyone in the world for my money. He always scores goals, he leads the line on his own, and I'm surprised Real Madrid and Barcelona haven't been in for him. He's their kind of player, and he's good enough."

WAYNE ROONEY

"Rooney's certainly had his ups and downs this season, but he'll cause Arsenal all manner of problems, just like he always does. He's found his form again now, and when United counter-attack with pace, he can be totally devastating."

STRIKERS!

The midfielders!

CESC FABREGAS

"Who knows what's going to happen with Fabregas in the summer? I reckon Wenger might well be thinking he should have let him go last year. They're no better off, and it's only Jack Wilshere coming through that's let them do well in midfield."

MICHAEL CARRICK

"You can't argue with Sir Alex Ferguson, but I just don't know what Carrick does! He doesn't score goals any more, he only plays good balls now and again, and it's such a shame, because at West Ham and Spurs he was superb. He just doesn't do it for me."

PLAYMAKERS!

The centre-backs!

JOHAN DJOUROU

"Djourou wouldn't even have made the Arsenal team at the beginning of the season, but when Tomas Vermaelen got injured he came in and did pretty well. Like I said, I think Wenger has to strengthen at the back. Though people have been telling him for years!"

NEMANJA VIDIC

"When Vidic and Ferdinand play together there's no better centre-back pairing in football. Vidic is a proper defender, and was another amazing Ferguson signing. I mean, who had heard of Vidic when he came? And for £7.5 million, what a bargain!"

DEFENSIVE ROCKS!

The stoppers!

WOJCIECH SZCZESNY

"This lad has suffered from the other keepers at Arsenal having shockers, and while he has made some big mistakes, I think he's going to be a very good keeper. Although whether or not he'll be Arsenal's number one next year is another thing."

EDWIN VAN DER SAR

"Van der Sar will be a huge miss for Man United next year when he retires and they need a top keeper to avoid a similar situation to what happened after Peter Schmeichel left the club. Van der Sar has had one of his best seasons ever, he's been absolutely immense."

KEEPERS!

Merse's Verdict!

"Could be a classic, both teams will go for it from the off!"

Nuts!

He's the voice of the fans - and he's only in *Nuts*!

"Yeah, I got my whole set of dining room glasses done out like this."

Man United and Real Madrid would be my dream final!

The Champions League semis get under way this week and the possibility of an amazing final at Wembley is on the cards.

I expect Man United to get past Schalke over the two legs, as Sir Alex Ferguson's team have a huge amount of European experience and they know how to win semi-finals (this year's FA cup excepted!). The German side haven't had the best season

"Sir Alex would relish trying to stop Ronaldo"

domestically, although they did brilliantly to see off Inter Milan in the last round. In Raul, they have the highest-ever scorer in the competition, but he's getting on a bit and I can't see him causing Rio Ferdinand and Nemanja Vidic many problems.

If Man United do progress to Wembley in May then it just remains to be seen who they'll be facing. I've said before in *Nuts* that the current Barcelona side is the best I've ever seen, but if anyone can beat them it's Jose Mourinho.

Perhaps he has a bit of an Indian sign over the Catalan club, the win in the Copa Del

Rey showing that his Real team don't fear Barcelona.

If anything, this astonishing Barca team have looked slightly jaded in the past couple of weeks, and maybe the fixture pile-up that faces any successful outfit is getting to them a bit.

In the two clasicos so far this season, Real are unbeaten after drawing the first and winning the Spanish Cup final, and that must give them confidence to beat Barca in Europe.

If I were a Man United fan I'd be hoping that Real do indeed get through, because if they faced Barcelona they'd be underdogs, while against

Madrid they'd be expected to attack Mourinho's side with some gusto.

We'd also see the intriguing prospect of Cristiano Ronaldo playing against his former side, with whom he won the Champions League three years ago. Sir Alex would relish trying to stop one of the best players in world football, and I'm pretty sure he and his good friend Mourinho would make entertaining viewing on the touchline at Wembley.

Either way, be it Real Madrid or Barcelona that await Man United in the final, it's going to be one hell of a game.

Great to see Gareth Bale winning the PFA Player Of The Year award – he's come on so far in the last year and really deserves it.

REAL FUMBLE

I laughed when Real Madrid's Sergio Ramos dropped the Copa del Rey trophy – 18 years without winning it and he throws it under a bus!

Spurs and City go toe-to-toe

Last week, my good mate Harry Redknapp said he wasn't too fussed about Spurs' 3-3 draw with Arsenal, as they could go for Champions League football next season. I think he'll actually be desperate to finish fourth as both clubs want to attract the best players in the summer. For Man City, finishing fourth could keep Roberto Mancini his job.

1 CHELSEA VS SPURS

"Both London clubs will be under huge pressure to win this game, as Chelsea chase Man United, and that's what will make it a tight game, finishing in a draw."

2 ARSENAL VS MAN UNITED

3 MAN CITY VS WEST HAM
1 MAY, 4.10PM, SKY SP2/HD

"Every time I see West Ham play they seem to capitulate as soon as they concede a goal, and sadly I can't see this game against the Citizens being any different."

No.5 Simon Grayson

This week, the Leeds gaffer tells all!

Hi Simon! If you hadn't been a footballer, what would you have been? A cricketer.

What was your first car? I had a Toyota Corolla, which was my dad's and he gave it to me for my 18th birthday.

What was the last music you bought? That was the Hurts album, *Wonderful Life*.

What's your TV guilty pleasure? I don't watch much TV as I'm often out watching games, but I like *Silent Witness* and *Waking The Dead*.

If someone made a film of your life, which actor would you like to play you? I don't know the answer to that!

If you were to sing a song at karaoke, what would it be? I've never sung one and I don't anticipate singing one in the next few years unless I'm severely drunk - which quite possibly could happen on occasions! But I'm not one for singing, that's for sure!

What's the nicest place you've visited? Yorkshire!
Has anyone ever mistaken you for someone else who's also famous? Sometimes my brother, Paul [Yorkshire cricketer]. Otherwise, mainly Tom Cruise and other good-looking actors!

If you could have a dinner party with any three people in history, dead or alive, who would they be? I'm a big fan of U2, so Bono would be one. Being a Leeds United fan and a manager, I'd invite Don Revie. I'd ask him what it was like to manage Leeds and how it feels to have left such a great legacy at this football club. Being a Yorkshireman, and the fact I like my cricket, I'd also like to invite Geoffrey Boycott. He's full of opinions and I probably wouldn't get much of an opportunity to speak to anyone else really!
What would you cook for them? It would have to be roast beef and Yorkshire puddings - what else could a Yorkshireman serve up?

TO OUR SECRETARY!

IT'S LOU!

CONFESSION OF THE WEEK!

'We both dropped to our knees'

My mate had pulled a hot guy in a club recently and I was sharing a taxi home with them. As they snogged, I noticed he had a big erection straining in his trousers. It turned me on and I couldn't resist giving it a rub and a squeeze. He smiled, staring at us in turn as if unsure of what to do next. At that, my friend leaned over to kiss me on the lips, which drove him wild. When we arrived at ours, we dragged him upstairs and all stripped off. I lay on my back on the floor and my friend climbed on top of me. After my friend and I took it in turns to suck each other's boobs, we ended up dropping to our knees and, between us, we gave him an experience he certainly won't forget in a hurry!

Emma, by email

'He put his hand up my skirt'

I'd been seeing a bloke for a few weeks and our sex life had been really adventurous from the beginning. He rented

the top part of a massive old house, and the elderly lady owner lived downstairs, but she rarely left the place. The garden was massive and quite eerie – there were statues all over the place. One warm night,

he pulled me into the gardens and started kissing me. I was worried the old lady might see, but I soon got lost in his lips. His hand went up my top and he pulled my breast from my bra with one hand and started sucking my nipple. I rubbed his now hard member as he put two fingers inside me. It felt so naughty even though he lived there! He pointed to a big tree, told me to bend over and pull my knickers to one side. He quickly whipped on a condom and we did it right then and there. The owner gave us a big grin when we saw her next, but then she always does that anyway!

Jo, West London

'I rubbed my nipples on him'

My boyfriend and I went for a walk last Sunday in a big forest near where we live. We had a beautiful stroll through the woods and he kept grabbing my bum and stopping me for kisses. By the time we got back to his van, we were both feeling fruity. There's a giant seat in the front, so we climbed in and started having a fumble. There wasn't even room to get down on my knees so I rubbed my nipples and used my hands on the head of his hard member. Then I climbed on top and rode him hard. He sucked and bit my nipples, which drives me mad, and there was soon a big noise coming from his little white van!

Laura, Essex

'We went skinny-dipping'

My boyfriend and I like to go out on a Saturday afternoon for a few cheeky ones, and one Saturday last month we got a bit frisky in the taxi on our way out. The touching and teasing turned us both on and carried on for most of the day, even when we got to our last stop – the quiet village pub. My boyfriend dared me to take my panties off the next time I went to the ladies. I was wearing a tiny skirt but it was such a naughty idea I couldn't resist it, so I slipped them off and into my handbag. As we sat at the bar he was able to slide his hand up my skirt, and began slowly stroking me. He then suddenly suggested we went skinny-dipping at the big house on the corner – he knew the owners were away so we leapt over the fence and dived in. We had sex on the steps in the shallow end and, needless to say, we went home a little wet, if you know what I mean!

Virtua Tennis 4 has an all-new, revamped, four-season World Tour career mode

VIRTUA TENNIS 4 PS3, WII, XBOX 360

The impossibly exhaustive tennis sim now works with the Xbox's Kinect and PS3's Move, so you can play as Nadal, Federer and misfiring Scot Andy

Murray in super-duper, tennis elbow-inducing realism. In career mode you even have to sign autographs and attend charity dos to make sure you get enough points to play the big matches. Plus, the graphics are ace! Geddit? Game, set, Nuts! ★★★★★

MIGHT & MAGIC: CLASH OF HEROES HD XBOX LIVE ARCADE, PSN

Puzzle/strategy game with two armies facing off across a virtual battlefield. What starts as a simple attack-and-defend dynamic unfurls into impossibly deep strategy. ★★★★★

PATAPON 3 PSP

Rhythm-action game gets a third outing, controlling a wee army with pounding drums. Get past the horrendous difficulty and it'll rhythmically gobble up days of your life. ★★★

APPS!

IHANDY CARPENTER IPHONE, IPOD TOUCH, IPAD

Five ace do-it-yourself tools in one easy app, including a spirit level, protractor and ruler! Essential if you're faced with a weekend of the dreaded DIY. ★★★★★

Essential if you're faced with a weekend of the dreaded DIY. ★★★★★

REMOTE

IPHONE, IPOD TOUCH, IPAD

Playing your iTunes music? Get this mind-blowing app and you can

do stuff like change tracks or make playlists wherever you are in the house! ★★★★★

DVDS/BLU-RAY!

The Tourist is a remake of 2005 French film, Anthony Zimmer.

THE TOURIST DVD & BLU-RAY CERT 12

Comedy-thriller starring Hollywood big guns Johnny Depp and Angelina Jolie that really ought to be better than it is (it's from the same bloke who brought us

'90s classic *The Usual Suspects*, after all!). Depp plays an American tourist in Venice who falls for the charms of Jolie (who wouldn't?), who turns out to be – shock, horror – a spy. Enjoyable enough, but a little too frothy to pack the punch the cast promises. ★★★

TOP GEAR: SERIES 11 DVD & BLU-RAY CERT E

The boys are back for more motorised madness, including racing a Nissan GT-R against a Japanese bullet train! Totally brilliant! ★★★★★

CONFESSIONS

DVD & BLU-RAY CERT 15

Ace, disturbing psychological thriller from Japan about a teacher's revenge on the pupils she thinks killed her daughter. ★★★★★

DOBERMANN

DVD CERT 18

Vincent Cassell and saucy missus Monica Bellucci go on the rampage in this re-release of France's answer to *Natural Born Killers*. ★★★

MUSIC!

VARIOUS ARTISTS

MOS RESIDENTS: MICHAEL WOODS

Ministry Of Sound star DJ Woods takes to the decks to blend together a bunch of hefty tunes, from the likes of La Roux! ★★★★★

THE WOMBATS

THE MODERN GLITCH

You either love them or hate them, but the Liverpudlians are back with more quirky, humour-laden, very-British indie pop. ★★★

MOVIES!

A cool chucklefest from the makers of *Youth in Revolt* and *Sideways*.

CEDAR RAPIDS CERT 15

Hangover bloke Ed Helms is a small-town insurance dweeb who goes on a crazed bender when he meets John C Reilly (Will Ferrell's sidekick in *Talladega Nights*) and Isiah Whitlock Jr (*The Wire*) at a convention. Hitting the bottle

and high on wacky baccy, Helms will have you in stitches. And Reilly goes "balls deep", dropping some ace one-liners – "I'm Captain Nemo, the muff diver on a mission to find a bearded clam!" Fans of *Anchorman* will love it! ★★★★★

THOR
CERT 12A

Star Trek's Chris Hemsworth has a mighty old time swinging this Marvel hero's hefty hammer. Co-stars Natalie Portman. ★★★

I SAW THE DEVIL
CERT 15

Amazing Korean thriller about a crazy cop on the trail of the serial killer who offed his fiancée. *Oldboy* meets *Bourne*. ★★★★★

THREE-CARD POKER

Will you beat the dealer with your best three-card hand, or win big with pairs? This simple poker game is a doddle to pick up, but it's not a doddle to win without practice! Put in the time like we

did, though, and you'll be laughing all the way to the bank!
PLAYABILITY: 7/10
PAY-OUT POTENTIAL: 6/10
FUN: 8/10
CASH MADE: £11

BLACKJACK

The idea is to collect cards and stop as close to 21 as possible – as long as you beat the dealer's hand, you're quids in. The dealer was a tough customer and we kept our bets low until we were sure we were due a good hand!
PLAYABILITY: 9/10
PAY-OUT POTENTIAL: 8/10
FUN: 9/10
CASH MADE: £9

HI LO

DEAL OR NO DEAL SLOTS

We all love watching *Deal Or No Deal* on the telly, and now here's your chance to win big for real! This game confused us at first, but with a little bit of practice, it soon proved to be a real Royal

for paying out little wins with regal regularity!
PLAYABILITY: 6/10
PAY-OUT POTENTIAL: 8/10
FUN: 8/10
CASH MADE: £9

FORTUNE TEMPLE

We certainly made our fortune here! The key with this slot game is to bet on as many lines as possible, but make sure your bets aren't too high – this gives you lots of chances for medium-sized payouts, which soon add up!
PLAYABILITY: 6/10
PAY-OUT POTENTIAL: 6/10
FUN: 7/10
CASH MADE: £9.80

TIKI TEMPLE

Oh no! We made the classic error of being over-confident and lost out here! The trick with *Tiki Temple* is to hedge your bets, and don't go for the biggest wager. Pace yourself – slow and steady wins the race!
